

SPEECH PATHOLOGY

Artius Health delivers a wide range of Allied Health Services

Our friendly team of clinicians are here to help

Artius Health provides Speech Pathology

Who are we?

Artius Health is one of QLD's largest private practices and has been providing high quality Allied Health Services since 2005.

What is Speech Pathology?

Our qualified and caring team of Speech Pathologists can diagnose and treat a range of communication issues that affect speaking, listening, understanding language, reading, writing, social skills, stuttering, using the voice, eating and swallowing.

Communication issues that are caused by developmental delay, intellectual disabilities, learning disabilities, autism, stroke, brain injuries, dementia, cerebral palsy, hearing loss and other conditions can be greatly improved with Speech Pathology.

Who can access this service?

Anyone can access this service including adults and children.

Is there a cost?

- Pension Card and Health Care Card holders are bulk-billed.
- Some NDIS plans may cover the cost of treatment.
- We accept NDIS, DVA, WorkCover, Private Insurance & PHN referrals.

Where are we?

Face-to-face appointments are available at our clinics in the Gympie and Sunshine Coast (Birtinya & Maroochydore) regions.

Do I need a referral?

Referrals are not required to access this service. However, we do accept referrals via fax, email or Medical Objects.
